

CONSULTANT CONTRACT DIRECT LABOR DETAIL

I. CONSULTANT DIRECT LABOR RATES

(a) NAME	(b) Classification	(c) Current Rate	(d) Pay Increase Percent	(e) Pay Increase Amount	(f) Date of Increase	(g) % Work at Current Rate	(h) % Work at Increase Rate	(i) Weighted Average Hourly Rate

CONTRACT COMPLETION DATE: _____

Columns (a), (b), (c) REQUIRED for all contracts. Use columns (d) through (i) when contract duration will extend beyond the date of a labor rate increase. Repeat columns (d) through (i) for each anticipated labor rate increase.

Individual name required for key personnel assigned to perform the contract work.

When two or more individuals within the same classification are assigned, an average of those individuals' rates weighted based on their respective contribution to the contract may be used. Designate "Average-Selected Individuals" in Column (a) and complete the *Consultant Weighted Average Direct Labor Rates* section below. When the average for ALL employees within the particular classification is used, designate "Average-Companywide" in Column (a).

II. CONSULTANT WEIGHTED AVERAGE DIRECT LABOR RATES

Classification:			
Name	Rate (a)	Percent Contribution (b)	(a x b)
		100%	

Repeat schedule for each classification using weighted average of selected individuals.
